## **Art Studies Journal**

**VOL. 3, NO. 1**

The Art Studies Journal is the official journal of the Department of Art Studies, College of Arts and Letters, University of the Philippines Diliman. It is envisioned to foster discursive and scholarly engagements on Philippine art, in conversation with the regional and the global, through deploying the lenses of art history, art theory and aesthetics, art criticism, curatorship, and arts management. Taking the Philippines as a geographical, historical, and theoretical starting point, it aligns with the department's commitment to a humanistic and interdisciplinary approach and to the decolonization of art, which have been its response to dominant Euro-American epistemologies and practices in the discipline.
